

# Dryflow® Any Room Air & Surface Steriliser (20m<sup>2</sup>) - IFSAR20

Brand:  
Product Code: ASDFAR-20  
Availability: In Stock  
~~£399.00~~

**£269.00**

Inc VAT: £322.80

## Description:

Protect your colleagues and customers at all times, 24 hours a day, 365 days a year. These are totally safe to use in continuously occupied enclosed spaces with areas up to 20m<sup>2</sup>, improving infection control, preventing illness and the spread of viruses. Provides continuous sanitisation of the air & exposed surfaces as opposed to temporary solutions like disinfectant fogging, pure UV light and bleach & other chemical disinfection.

**RENTAL AVAILABLE:** low weekly rates from £2.99 ex VAT - Call now for more details 0330 124 4717

Est delivery 5-7 days

## Product features

- Controls odours and infections by purifying the air and cleaning exposed surfaces by destroying volatile organic compounds, harmful bacteria, viruses, mould, fungi, pollen, pollution and smoke.
- Cleans deep into fabrics, prolongs life of carpets and soft furnishings and eliminates the need for masking agents and environment damaging chemicals.
- Uses 5 technologies to kill 98.11% of airborne and 99.6% of surface micro-organisms including Clostridium Difficile, Listeria, Staphylococcus aureus, Staphylococcus epidermis, MRSA, and E coli improving air quality and overall hygiene.
- The only system checked by the Health Protection Agency with the efficacy tested by the UK Public Health laboratories (Efficacy data can be provided upon request)
- Completely silent operation makes it suitable for a host of noise sensitive areas
- Significantly improves the environment for residents, staff and visitors; helps to reduce staff absenteeism
- Easy to install and maintain with no filters to service, just one annual bulb change
- Designed to be plugged in and installed as high as practical for best operation, with an inline switch, but can also be wired into a fused spur.
- Comes in 2 options depending on the size of area that needs cleaning, covering areas of 10m<sup>2</sup> (IFSAR10) and 20m<sup>2</sup> (IFSAR20)
- Dimensions - 345mm (h) x 185mm (w) x 95mm (d)
- 1.6Kg
