Inspired by the rich heritage of British engineering this is an exceptional quality "over the sink" hand dryer that can be installed as an individual product next to existing water taps and dispensers or part of a complete set (see below). It creates a stunning washroom, providing an outstanding drying experience, keeping water drips away from floors and counters. Cast in high-quality solid stainless steel and updated with a powerful new motor, the Ribbon Hand Dryer is as beautiful as it is robust.

Part of The Ribbon Series

Matching automatic foam soap dispensers and automatic water sensor taps are also available to complete a stunning washroom. Please contact us for more information.

Product Features
